

## Accommodations Update:

Further to the listed accommodation referred to in our registration form:

One of our accommodation establishments (Riverwood Inn) is completely booked with Masons.

The Riverwood Inn also has a chalet which they are renting to us for \$180.00 which is still vacant. This is a lovely two-bedroom dwelling situated on the ocean with all major windows facing scenic Halls Bay. This chalet is a completely self-sufficient facility and would be ideal for two couples.

The second recommendation for accommodations to companions who inquire is Springdale Inn and Suites. This former Pelley Inn is under new ownership and is being refurbished. This facility also has a bar and restaurant. It would be a very comfortable place for companions and their ladies to stay for the weekend.
